

HOW TO HAVE YOUR DEER TESTED FOR CHRONIC WASTING DISEASE

ALWAYS WEAR GLOVES AND PROTECTIVE EYEWEAR WHEN CLEANING GAME AND COLLECTING SAMPLES

HOW CAN I HAVE MY DEER TESTED FOR CWD?

LDWF and LSU have teamed up to offer **FREE** CWD testing to the public.

Step 1.

- Please record the GPS location of where the deer was harvested.
- To submit a deer head for CWD testing, remove the head about 5 inches below the ear.
- Deer heads may be caped with antlers and skull cap removed.
- **DO NOT FREEZE** - Samples should be refrigerated or saved on ice.

Step 2.

- Complete the form at www.wlf.louisiana.gov/form/cwd-testing-information.

Step 3.

- Print the email that you received after completing the form in step 2. Provide that printout to the LDWF staff member who handles your sample.

Step 4.

- Contact the nearest field office from the list below to coordinate delivery or pickup of the sample.
